Lost Spoke's Prize Money

1999 Miniature Mare

33" Red Tobiano Pinto Mare

Owned by: Robertson Horse Sales, Benson, AZ

"Little Money" was purchased without papers for Little Ricky to have a mate. They have been running together for about a year and a half. Money came to us in foal and had the cutiest "silver palomino" filly. She has been with Ricky since then and is believed to be in foal to him. We have not checked her but all evidence indicates as such. They are great buddies. She has had many foals and does a very good job at it. Again, we are cutting back so here's Little Money!

Loud colored Quarter bred paint mare with a lineage of well known roping, reining and cutting champions. This stout mare is quiet under saddle and has been ridden by Luke Pock. She has been used at the stockyards sorting cattle and been roped off of. She grooms, ties and stands quietly, loads and travels well. With her breeding, she would make a good broodmare too. 14.21/2H and 1100#.
